Dear People of Palma,

The school year is just about three-quarters done and there isn't much time remaining as the 4th Quarter, which starts on March 9th, typically flies by. Now would be as good a time as ever to recall that this marathon of an academic school year is just that, a marathon, not a sprint. But like any good distance runner knows, there is always a need and time for that last effort to widen the stride and finish strong. To the persistent goes the prize, so to speak.

The trees along Iverson Street and all around town are in full bloom, a sure sign a new season is upon us. Oddly enough, a new liturgical season, Lent, is with us all month long — if you don't yet have plans on how to use the challenges present during this Lenten Season, consider coming to the Lenten Mass Series on each Wednesday of Lent, at 7:00pm, in our Blessed Edmund Rice Chapel. My experience, for what it's worth, is that this one hour each week makes the Lenten Season quick and meaningful.

The graduation ceremony of our seniors, the Class of 2020, will be taking place early on Sunday, May 24th. The annual on-line auction of 14 of the best seats in Sherwood Hall starts on Monday, May 11th, at sunrise and will be brought to closure at sunset on Monday, May 18th. On-line bids are made to me (dunne@palmaschool.org) over that week; I promise to keep each bidder up to date on the latest bid in an effort to raise some always-needed dollars for our scholarship fund.

I pray your Lenten Season goes well; be assured of being included in my prayers of appreciation and wonder during this special season. Thank you.

Sincerely,

Brother Patrick D. Dunne, C.F.C.
President
Dear People of Palma,

May I suggest that in the spirit of Lent, we share our appreciation for *community* here at Palma? The concept of community is central to a thriving school environment. As one theologian posits, community cannot be *created* as some would have it today. *Community already is*, he continues. The reality of our existence at a specific time and place among many peoples already presupposes a context for community. What kind of community we are can be celebrated when we are conscious of our need for one another, when we are fully aware of the richness of our diversity, and when we commit to be united in common purpose. Community is fully realized then, when we celebrate moments in our lives with full participation in the source of all life in God…who is, at once, one Being and three persons, and the very essence and definition of community. This is why festivities like birthdays, graduations, anniversaries and other milestone celebrations are important human experiences. They are so, not just because they require community, but also because they are opportunities to express the joys of life — celebrations which are distinctly Christian.

Community among the faculty, staff and administration at Palma is wonderfully palpable! We greet one another, pray together, and laugh together. We cover classes for one another in their absences. We assist one another. We are not perfect, but we are a community. We support one another, confide in one another, and we collaborate to be the very best we can to benefit the students. Yes, we make mistakes. Yes, we know that we hold ourselves to a higher standard — especially because we are working with young men like your son. But, we love one another. And, we love your son. And *love* is the “stuff” of a successful community. In turn, sons of Palma make conscious efforts to appreciate and support one another every day — I am often inspired by them. Such is the stuff of my gratitude and reflection during Lent in a uniquely Catholic community!

Here’s my “plug” for community as coordinated with our incredible Parents’ Club: let us celebrate our 51st annual St. Patrick’s Luncheon together on Wednesday, March 11 beginning at 11:00 am. We ask for your help in making this event happen. We need your sons to participate also, *and so we permit them a day off of classes to do so.* Far more important, however, I urge you to *join us* for lunch in the gym that day. Enjoy a delicious meal and some terrific Palma fellowship. Take joy in the presence of Palma fully present to our community in so many ways over the decades. More details can be found in the following pages. I know my community experience will be enhanced if you join us.

Thank you, in advance, for your support in our efforts to celebrate community at Palma School! Go Chieftains!

Yours in Blessed Edmund Rice,

David J. Sullivan

CSF stands for the California Scholarship Federation, whose mission is to recognize and encourage academic achievement and community service among middle and high school students in California. There are approximately 1500 chapters in middle and high schools throughout the state, and each chapter is composed of students who meet CSF eligibility requirements. Eligible students become members by submitting applications based on their report card grades. Membership is for one semester, and membership drives are held each semester within established periods dictated by CSF bylaws. The list below includes high school students who not only had fall 2019 semester grades that qualified them to apply for membership but who also met the mandatory deadline for submitting an application. Students must reapply each semester they are eligible.

CSF Life Members are those students who have qualified and applied for membership based on grades earned during four of their sophomore, junior, and senior semesters (one semester of which must be based on grades earned as a senior). CSF Life Members receive special recognition at the Palma High School graduation ceremony in May and wear CSF Life Member cords along with their caps and gowns. Life Members also have official gold seals affixed to their diplomas. In March, notification will be sent to seniors who have qualified for Life Membership or who may qualify by earning excellent grades in their spring 2020 courses. If you have any questions regarding CSF, please contact Mr. Viarengo at viarengo@palmaschool.org or 422.6391, ext. 220.
Increase the peace!
All are welcome! Morning Mass is offered every school morning at 7:30 am in the Blessed Edmund Rice Chapel. Come and see! Altar servers, greeters, musicians, and lectors are always needed, welcomed, trained, encouraged, and appreciated. Bring a friend. These Masses are open to parents and friends as well as students, faculty and staff.

Service in the community
We have the privilege of assisting others to improve their daily lives. The service we provide goes far beyond any material good as we witness God work to change the lives of the servants and those being served. The labor of a Chieftain's hands, head and heart is always meaningful and lifts our entire community.

Congratulations to our basketball team
Our boys finished 12-0 in league and were crowned PCAL, Gabilan Division champions on the court. They beat Scotts Valley in round one of the CCS playoffs by a score of 68 to 45, but had an off night on Thursday, February 27th and fell to Santa Cruz. Thanks, boys, for an exciting season of Palma basketball.

Thank you crab feed sponsors and volunteers
One of the things that makes my job enjoyable is the support we receive from the community. A heart-felt thank you to all of our sponsors and volunteers. We had a great crab feed event and raised the needed funds to see us through spring. You guys are awesome!

Palma grapplers are at CIF championship
The Chieftain wrestling team placed third at CCS. Zach Thompson ‘21, who is the CCS 115lb-class Champion, along with Rudy Zepeda ‘21, are wrestling at the CIF Championships in Bakersfield.

Spring sports are here
Please see our athletics website for all of the spring sports offerings. Make sure your son is signed up on www.athleticclearance.com for the spring sport of his choice. Your son must be cleared by me before he can begin practicing so once he is signed up through Athletic Clearance be on the lookout for an email saying he is clear. Please reach out to me with any questions or if you need help signing your son up. If you have already signed up for a spring sport, coaches will contact you with specific information.

Attention golfers
The 41st Annual Palma Golf Tournament is scheduled for Friday, May 1st at Poppy Hills Golf Course. As in years past, the tournament is a four-person scramble and your entry fee includes a box lunch, green fee, 1/2 cart, dinner and all tee & tournament prizes. Registration will begin at 11:30 am with a shotgun start at 1:00 pm. The reception, dinner and awards presentation will begin at 6:00 pm. This fun event benefits our student-athletes. Be sure to mark Friday, May 1st on your calendar.

Volunteers
A huge thank you to all of the fall and winter sports volunteers; I could not do this job without your support. To host successful spring sporting events, we need your help! Please visit the athletics council page on our website at https://palmaschool.com/athletic-council for more information on volunteering at these events. There is something for everyone to support in your Chieftain athletics programs.

For all of your daily athletic updates please follow me on twitter at @Coach_Rbishop. I tweet upcoming game times for all sports each week as well as results and other fun information regarding Palma Athletics.
Ready for a college road trip?
Consider visiting colleges during Easter break or this summer. If you’re just beginning the college search process, start your visits close to home. Even if you don’t plan on attending a local college, visits to nearby institutions will allow you to more carefully focus on such factors as size, diversity of student body, type of institution, majors and courses of study. Visit both public and private colleges, residential and commuter campuses, universities and liberal arts colleges. Once you’ve determined the characteristics most important to you, you can begin visiting colleges that are further away.

Seniors who have begun receiving admissions decisions may want to pay a second (or third) visit to each campus they are seriously considering. This is the time to go beyond the group tour. If possible, arrange an overnight visit with a stay in the dorms. Attend classes and talk with current students about what they like and don’t like. Eat at the dining hall and check out the library. Picture yourself attending that school, and determine where on your list of acceptances that college falls.

College blogs provide an insider’s view
In an attempt to forge a greater connection with prospective applicants, admission offices across the U.S. have begun recruiting current students to write blogs about their college experience. Although these officially sanctioned (but uncensored) blogs can sound a bit like a promotional tool, they often do provide a real insider’s view of life at that institution. Happily, bloggers are likely to tell you about the good and the bad. Ideally, you will come away with a sense of what makes that college unique and interesting. Blogs put a very human face on the institutional facade. At some schools these students receive a small stipend, while at others they are volunteers. But are they really helpful? At MIT, the admissions website gets 15,000 page views a day. A recent MIT survey of admitted students revealed that blogs were among the three most useful things in helping students to decide to attend.

All juniors will be taking the ACT with Writing on Tuesday, March 24th
No need to register your junior to take the ACT this year. Palma will be offering the full ACT on Tuesday, March 24th to all juniors on our campus. This test will count as one of their college tests. It is not a practice test. Parents will receive an invoice in the amount of $58.00 for the ACT exam in April. There will be a special schedule that day for all students during the testing day. If you have any questions, please contact your son’s counselor. The ACT will conclude at 12:45 pm.

Sophomores will be taking the Pre-ACT on Tuesday, March 24th
All sophomores will be taking the Pre-ACT Test. The test will conclude at 11:00 am and students with accommodations will conclude by 12:10 pm. Grades 7 through 9 will be on a minimum day schedule.

**NOT ON THIS LIST?** Simply donate online, by mail or in person to the 2019-2020 Palma Fund. Not only will your name appear on this list throughout the school year, but you will be helping Chieftains attain the education, experience and leadership that only Palma can provide. Please consider a gift.
Dear Parents and Students:

The Palma Parents’ Club See’s Candies Spring Fundraiser ends on March 10th! Since all students will benefit from our fundraiser, we’d greatly appreciate your family participation. You can help us by encouraging your son to take orders from friends, relatives, and neighbors. We’d also appreciate you reaching out to co-workers and business associates and remind you to order a few extras for your Easter and Good Friday gift-giving exchanges, teacher or coach thank you gifts and your Spring holiday gatherings.

**DATES TO REMEMBER**

Questions? Interested in helping our team sort and/or distribute? Call Louise Bengard at 831.595.8481.

**HELPFUL HINTS**

1. Fill in the order forms and envelope completely including your name/son’s name. **Please add your cell phone number to the order form** — this is our only way to contact you to clarify your preorder and/or to make pick-up calls.

2. Collect money at the time of ordering. **Make checks payable to Palma Parents’ Club** and be sure to add your name in the memo section of each check.

3. Verify quantities and money collected and put in the collection envelope. Please take the time to tally your order form properly — about 20% of all orders received have incomplete tallies or calculation errors.

**Thank you for helping to make our fundraiser a BIG success!**

THANK YOU

We are grateful for all of the parent volunteers who work so hard to make Palma the school it is for our boys and future students.

See's Candies Spring Fundraiser is ending on Tuesday, March 10th and we are hoping for 100% family participation. You can help by encouraging your son to take orders from friends, relatives and neighbors. You can also reach out to co-workers and business associates. Plus, you can order a few extras for your Easter gift-giving, teacher or coach thank you gifts and your Spring holiday gatherings. Of course, we won’t mind if you purchase a box or two for yourself.

St. Patrick’s Luncheon

The 51st Annual St. Patrick’s Luncheon will be here on Wednesday, March 11th. This is The Palma Parents’ Club biggest fundraiser and we appreciate your support! It isn’t too early to place your dine-in buffet or take-out sandwich order. Delivery is available to businesses that order 10 or more sandwiches total.

Would you be willing to lend a hand to make the 51st Annual St. Patrick’s Luncheon a success? We need people on the day before and day of the luncheon to help in the following:

- Lunch box assembly
- Take out lunch assembly
- Dine-in helpers

We also need volunteers to bake desserts for the dine-in luncheon. If you can bake cookies, brownies, cupcakes or finger desserts, sign up here to help us out.

Easy Ways We Can Help Palma School

Here are a few simple ways we can be of great help to Palma fulfilling its mission:

- Like, follow and share Palma’s social media
  Being active on social media spreads Palma’s name and the good things happening here.

- Display a Palma magnet or sticker
  Showing Palma pride on your vehicle alerts the public to yet another happy Chieftain family.

- Shop on AmazonSmile.com
  It is the same Amazon website except 0.5% of your purchase dollars will be donated to Palma.

- Tell your friends, neighbors and co-workers
  The most effective voice for Palma is yours. Talk to people about Palma and invite them to events.

- Include Palma in your prayers
  Prayer is the driving force behind many positive outcomes. Pray for our boys and our school.

If you can help coordinate delivery drivers, please contact Amy Brown amylobrown@gmail.com

Finally, we are looking for about 15 gift basket donations for the dine-in luncheon raffle. This is a tradition at the luncheon! Unused gift cards collecting dust? We will take them off your hands! Anything is appreciated. Contact Amy Brown amylobrown@gmail.com. Thank you.

Frequently Asked Questions about 2019 Novel Coronavirus
Addressing Schools’ and Parents’ Concerns
February 6, 2020

1. What is 2019 Novel Coronavirus (2019-nCoV)?
2019-nCoV is a respiratory illness caused by a virus in the coronavirus family. It is called a “novel” coronavirus because it is a new type of coronavirus not seen before. It was first identified in Wuhan City, Hubei Province, China. Because this is a new virus, experts are still learning about the virus.

2. How does 2019-nCoV spread?
2019-nCoV spreads from person-to-person when someone coughs or sneezes, similar to how influenza virus is spread. Also, if a person’s hands are contaminated with respiratory secretions containing virus, they can transfer the virus to things they touch like door handles and pens. Another person can touch the contaminated items then touch their eyes or mouth and become infected.

3. What are the symptoms of 2019-nCoV?
It takes 2 to 14 days after being infected for most people to show symptoms. Individuals with 2019-nCov have a fever, usually above 100.4°F, with cough, chest pain, or shortness of breath. Other symptoms can include headache, sore throat, fatigue, and nasal congestion. 2019-nCoV can cause mild to severe respiratory illness.

4. How is 2019-nCov treated?
Unlike influenza, there is no vaccine or medication for 2019-nCoV. Instead, treatment focuses on relieving symptoms and keeping the person comfortable.

5. Does 2019-nCoV pose a health risk to Monterey County?
Right now, there have only been 6 cases diagnosed in California and none in Monterey County. There have also been 6 individuals diagnosed in other states who recently traveled to China or had close contact with someone who was sick with 2019-nCoV. The risk of getting 2019-nCoV is very low unless a person has close contact with a person sick with 2019-nCoV or recently traveled to an area with a 2019-nCoV outbreak.

6. How can I keep from getting 2019-nCoV?
The same healthy habits we practice during influenza season can help prevent the spread of 2019-nCoV:
   - Wash your hands often with soap and water or use an alcohol-based hand sanitizer.

Key Messages:
- The risk of getting sick with 2019-nCoV is currently very low in the U.S. and in Monterey County, unless a person has recently traveled to China.
- The Monterey County Health Department is working with local hospitals, doctors, schools, and other agencies to be prepared.

Frequently Asked Questions about 2019 Novel Coronavirus

- Avoid touching your eyes or mouth with your hands.
- Clean or sanitize commonly touched surfaces like doorknobs, light switches, and telephones.
- Avoid people who appear ill. Stay back at least 6 feet from someone who appears sick.
- When possible, avoid traveling to an area where there is an outbreak of 2019-nCoV occurring.
- If you do feel ill, cover coughs and sneezes with your elbow, not your hands, and stay home until you are better.

7. How should I talk to children about 2019-nCoV?
Sometimes children may feel a sense of anxiety or nervousness based on what is being reported in the news. The following tips may help you talk to children about their feelings:
- Listen to your children. Reassure them that they are safe and try to focus on the facts.
- Allow them to ask questions. Help your children understand how the illness is spread.
- Make a game of showing children how to cough into their elbow or practicing good hand washing techniques.
- Embrace teachable moments. This may be a good time to talk to your child about how misunderstanding and misinformation can create fear.

8. What should schools do if they suspect there is someone ill with 2019-nCoV?
Call the Monterey County Health Department at 831-755-4521. Public health workers will assist schools in assessing the individual’s risk of having 2019-nCoV by asking questions about travel history and symptoms. They will also provide guidance on any next steps that should be taken. If the individual is critically ill (for example, having trouble breathing), call 9-1-1 and provide as much information as possible.

9. Will schools be alerted if a 2019-nCoV case is confirmed in Monterey County?
Yes. The Monterey County Health Department will notify schools and the general public if an individual is confirmed to have 2019-nCoV in Monterey County. The Monterey County Health Department will also provide information about any risk to schools and the public at that time. The Health Department will guide schools and parents on any actions they may need to take.

10. What is the Health Department doing about 2019-nCoV?
Despite the low risk of a 2019-nCoV outbreak locally, we want to make sure you are aware of the facts and what proactive steps are being taken. The Monterey County Health Department is working closely with local hospitals, clinics, and other agencies to be prepared for a case of 2019-nCoV in Monterey County and to implement measures to stop the spread of the virus.
